**PLAINTIFF’S ORIGINAL COMPLAINT**

Plaintiff LS Cloud Storage Technologies, LLC (“LS Cloud”) files this Original Complaint and demand for jury trial seeking relief from patent infringement of the claims of US Patent Nos. 10,154,092 (“the ‘092 patent”) (referred to as the “Patent-in-Suit”) by Google LLC (“Defendant” or “Google”).

**I. THE PARTIES**

1. LS Cloud Storage Technologies, LLC is a Texas limited liability corporation with its principal place of business located in Waco, Texas.

2. On information and belief, Defendant Google LLC is a corporation existing under the laws of the Delaware with a regular and established places of business located at 9606 North MoPac Expressway, Suite 700, Austin, Texas 78759; 500 West 2nd Street, Suite 2000, Austin, Texas 78701; 4100 Smith School Road, Austin, Texas 78744; as well as other locations in and around the Austin area. On information and belief, Defendant sold and offered to sell products and services throughout Texas, including in this judicial district, and introduced products and services that perform infringing methods or processes into the stream of commerce knowing that they

would be sold in Texas and this judicial district. Defendant may be served through its registered agent, Corporation Service Company, DBA CSC, 211 E. 7th Street, Suite 620, Austin, Texas 78701-3218, at its regular place of business, or anywhere that it may be found.

## **II. JURISDICTION AND VENUE**

3. This Court has original subject-matter jurisdiction over the entire action pursuant to 28 U.S.C. §§ 1331 and 1338(a) because Plaintiff's claim arises under an Act of Congress relating to patents, namely, 35 U.S.C. § 271.

4. This Court has personal jurisdiction over Defendant because: (i) Defendant is present within or has minimum contacts within the State of Texas and this judicial district; (ii) Defendant has purposefully availed itself of the privileges of conducting business in the State of Texas and in this judicial district; and (iii) Plaintiff's cause of action arises directly from Defendant's business contacts and other activities in the State of Texas and in this judicial district.

5. Venue is proper in this district under 28 U.S.C. §§ 1391(b) and 1400(b). Defendant has committed acts of infringement and has a regular and established place of business in this District. Further, venue is proper because Defendant conducts substantial business in this forum, directly or through intermediaries, including: (i) at least a portion of the infringements alleged herein; and (ii) regularly doing or soliciting business, engaging in other persistent courses of conduct and/or deriving substantial revenue from goods and services provided to individuals in Texas and this District.

## **III. INFRINGEMENT**

### **A. Infringement of the '092 Patent**

6. On December 11, 2018, U.S. Patent No. 10,154,092 (“the ‘092 patent”, included as an attachment) entitled “Data Sharing Using Distributed Cache In A Network Of Heterogeneous Computers” was duly and legally issued by the U.S. Patent and Trademark Office. Plaintiff owns the ‘092 patent by assignment.

7. The ‘092 patent relates to novel and improved methods, systems and apparatuses for computer network using cached data storage.

8. Defendant maintained, operated, and administered data storage products and services that infringed one or more of claims 1-24 of the ‘092 patent, literally or under the doctrine of equivalents. Defendant put the inventions claimed by the ‘092 patent into service (i.e., used them); but for Defendant’s actions, the claimed-inventions embodiments involving Defendant’s products and services would never have been put into service. Defendant’s acts complained of herein caused those claimed-invention embodiments as a whole to perform, and Defendant’s procurement of monetary and commercial benefit from it.

9. Support for the allegations of infringement may be found in the following exemplary table included as Exhibit A. These allegations of infringement are preliminary and are therefore subject to change.<sup>1</sup>

10. Defendant has caused Plaintiff damage by direct infringement of the claims of the ‘092 patent.

#### **IV. JURY DEMAND**

Plaintiff hereby requests a trial by jury on issues so triable by right.

#### **V. PRAYER FOR RELIEF**

---

<sup>1</sup> Plaintiff reserves the right to amend to assert claims for indirect and willful infringement if discovery reveals an earlier date of Defendants’ knowledge of the patents.

WHEREFORE, Plaintiff prays for relief as follows:

- a. enter judgment that Defendant has infringed the claims of the '092 patent;
- b. award Plaintiff damages in an amount sufficient to compensate it for Defendant's infringement, in an amount no less than a reasonable royalty or lost profits, together with pre-judgment and post-judgment interest and costs under 35 U.S.C. § 284;
- c. award Plaintiff an accounting for acts of infringement not presented at trial and an award by the Court of additional damage for any such acts of infringement; and
- d. award Plaintiff such other and further relief as this Court deems just and proper.

DATED: March 25, 2022

Respectfully submitted,

**Ramey LLP**
